Many a man, who has been sent to an early and even suicidal grave by the tortures of dyspepsia, would be alive and well to-day, had he tested the virtues of Ayer's Sarsaparilla. This is no temporary appetizer, but a radical, scientific remedy. It makes life worth living.

Rev. Best of Ripley is Suspended For Three Years.

The Portsmouth Presbytery, in session at Ripley, suspended Rev. Best, Pastor of the Presbyterian Church in that place, for three years, and even left that period open for an extension.

Rev. Best was accused of getting drunk and, appearing before the Presbytery, made a full confession.

Some days ago he went to Portsmouth, O., in the matter of some trouble Rev. Goblet of that place was having with his Church, and while there Rev. Best imbibed too freely.

This hastened his hearing before the Presbytery.

Some time ago he went to Cincinnati, where he got drunk, and falling off a bicycle, injured himself so severely he was laid up in the City Hospital for several days.

THE LEDGER'S BALL REPORT!

Maysville Makes Short Work of the Huntington Team in a Great Game Yesterday.

The Local team won out from Huntington yesterday afternoon at East End Park in one of the best played games of the season.

The game had not proceeded far before it was plainly evident that the Local team had the hardest nut they had been up against this season to crack.

The visitors didn't hit Reiman hard, it is true; but with few exceptions they put up a brilliant game in the field.

Dick Smith twirled for Huntington, and at times his delivery was an enigma to our boys.

Reiman pitched for Maysville and was given excellent support.

Dickie VanWinkle made his initial bow of the season before a Maysville audience as the Local's third baseman, and his work there, together with his all around playing was the feature of the game.

Captain McGann set the crowd wild in the fourth inning by banging the ball into the left-field fence corner for a home run.

Neither side reached the counting point until the fourth.

After Curle had flied out to second, Hall hit down to short, Gaines made a bad throw to catch him at first and "Shag" took second on the error. McGann then wrapped his bat around a good one and cleared the bases.

Maysville tallied again in the fifth. With two gone Tenley reached first on Poage's error and went to second on it. Cox pushed one into right for a bag and Ray crossed the slab.

Maysville clinched the game by scoring thrice in the sixth. Gaines fumbled Curle's grounder long enough to allow Jimmy to reach first. Hall hit a hot one past second and Curle reached third and scored on McGann's single. Mac moved down to second on the first ball pitched. VanWinkle hit to center and Hall and McGann scored.

The visitors never got a man around the circuit until the seventh. With one out Poage hit to left for three bases. VanWinkle made a wild throw of Smith's grounder and Poage scored.

The visitors captured their second and last run in the eighth. "Pot" Reiman singled to center and was pushed down to second on Watson's walk. Lauterbach

The brickwork for Mr. Lewis K. Parry's Fourth street residence has been let to George M. Clinger.

The unavailing of the monument erected by the Orphan Brigade over the graves of Gen. and Mrs. Roger A. Hanson will take place at 3 p. m. July 9th in the Lexington Cemetery.

Wink Henthorne, a barber of Vanceburg, has received word from his mother, Mrs. Caroline Henthorne, of Ironton, O., that she has been identified as one of 13 who are heirs to an immense estate aggregating \$4,000,000 in England.

Henry Whittaker, tried in an examining court at Owingsville for the murder of Newton Anderson, in the Southern part of that county, a few days ago, was held over to the Circuit Court without bail. The defense introduced a testimony, but the Commonwealth witnesses developed not only a case of cold-blooded murder but of ambush.

The Circuit Court is about to try a peculiar case. An ex-County Judge who was elected on a pledge to fill the office for a salary of \$400 a year and let fees go to the county, is now suing the county for the balance on the fees.

According to a report issued by the Government, the mineral product of the United States for 1894 was valued at \$524,965,131. This was divided into metallic, \$218,168,788; non-metallic, \$305,796,343; and unspecified, \$1,000,000. As compared to the previous year there was a large decrease in the aggregate output.

Owing to an improperly closed switch on the L. and N., just outside the Covington limits, the morning passenger train No. 2, from Lexington, jumped the track and ran into a switch engine, smashing two passenger coaches and damaging the engine. Switch Engineer Bob Black was badly bruised, but no passengers were injured. Loss \$3,000.

Jailer Welch of Nicholasville was standing on the corner during an altercation between two negroes when he was struck with a rock thrown by one of them, and one of the bones of his leg broken below the knee.

There will be no baseball in Dover this summer. Seven dollars and a half an acre for four acres was offered as rent to a land-holder near town, but he would not accept, notwithstanding The News assured him he could not make \$30 clear on it by farming.

Ashland Sun.

G. B. Wall, Chief Clerk to Superintendent Boughton, will leave tonight, on the 12:53 train for Richmond, Va., where he goes to accept of his new position. He leaves many friends here who regret very much to give him up. As a business man Mr. Wall has few equals, and through his close attention to business he has made himself a man that the C. and O. cannot do without. We will keep a close eye on him, and expect some day to give the readers of The Sun the good news that he has been appointed Superintendent of this excellent road. While we regret to give you up, friend Wall, we wish you success in your new field, and sincerely hope that the good people of Richmond may think as much of you as your friends here, and that you will not forget that we are still alive and would be glad to welcome you back at anytime.

WANTED TO KISS THE WOMEN.

A Mercer County Farmer Who Imagines Himself Jesus Christ.

A farmer named Lipps, who imagines himself to be Jesus Christ, was arrested at Harrodsburg Saturday afternoon, while preaching his religious doctrines in a livery stable to quite a crowd, and lodged in jail.

He will be tried for lunacy, as he is now considered to be a dangerous lunatic.

Last Sunday he preached in Salt River Church, claimed to be Jesus and professed to save all who would believe in him and suffer him to wipe their sins away by a kiss. He began kissing the women and children in the congregation, but when a robust farmer presented himself for a kiss to be saved the pretended Jesus promptly knocked Farmer Sevier down, which broke up the salvation program.

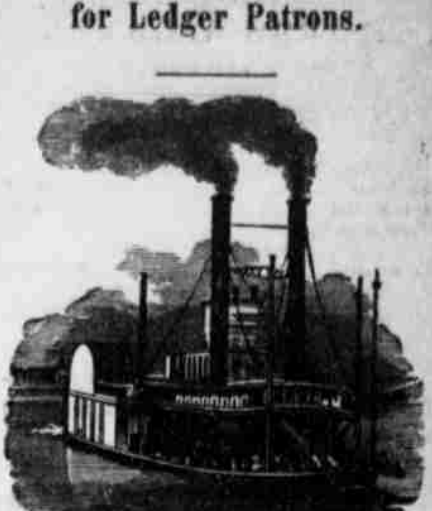

Sunday he insisted on preaching in the Courthouse, which being denied him he began his harangue in the stable.

When he was arrested and lodged in jail he strenuously resisted till placed in a cell.

Lipps has a wife, from whom he was recently separated, and two grown daughters, a brother, J. J. Lipps, who is the Circuit Clerk of Wise county, Va.; also a brother in Mercer county, who is a prosperous farmer.
